EWI NEWSLETTER

LETTER FROM THE PRESIDENT

What a year 2022 has been!

Despite coming out of a global pandemic, our chapter succeeded in various ways, such as hosting LCAM, re-establishing our in-person monthly meetings, and bringing on several new members. 2022 was truly a testament to how dedicated and committed our Corpus Christi EWI sisters are in our local chapter.

In keeping with this year's theme of "growth", one of my personal goals as your new President is to revise our newsletter and expand the way we communicate. At this time I anticipate the newsletter to go out at the beginning of each quarter with fun and enticing tidbits about what's going on in our chapter. To keep you engaged and excited about our quarterly communication, a secret word will be placed in each newsletter that will be used as a chance to win a prize during our chapter meetings, so be on the lookout!

I encourage you all to reflect on 2022, acknowledge the ways your firm has evolved and determine the steps you need to take to ensure continuous growth for 2023. I look forward to serving you this upcoming year and growing with you all! Have a wonderful Christmas and a Happy New Years! See you all in 2023.

LCAM

READING RALLY

Corpus Christi was chosen to host this year's LCAM convention at the Omni Hotel during EWI's 75th Anniversary. On the final day we celebrated by hosting the 2022 Reading Rally in the Nueces Ballroom with guest author and speaker Diana Lopez. The children were read an excerpt from her book and played corresponding games at their tables before choosing books for themselves.
