## LETTER FROM PRESIDENT

#### Dear EWI, Ladies!

This time of the year is so exciting for EWI! There is so much happening at EWI both at the local and national level. In today's letter, I am going to highlight some of what's going on in the next couple of months. And I invite and encourage you to participate in all of the activities.

**Reading Rally** will be celebrating 20 YEARS! 20 years of helping inspire

girls to read more and see a world of opportunities. Each year the girls are treated to an afternoon of fun, crafts, positive role models, and dynamic speakers. This year the activities may look slightly different, but they will have the same general theme, literacy, and inspiration. In this year of COVID, I truly believe the girls need our inspiration and support more than ever. Mark your calendars; our tentative date is set for October 17, 2020. But the RR committee still needs your help, and we will have more info in future emails.

Our national Leadership Conference & Annual Meeting (LCAM) is Virtual this year and FREE! Yes, I said FREE! It is scheduled for September 18 – 19, 2020. Although we don't know the exact schedule of events, I am positive it will be a great experience. Past conferences have been full of great programming, great speakers, and great leadership training. I am looking forward to attending!

Our big annual fundraiser is usually scheduled for September. The money raised goes towards our Scholarship and Reading Rally activities. This year we will be having a **EWI shirt fundraiser**. There has been lots of work to select the beautiful and fun shirts; buy 1, 2, or 3 and help support our efforts. We thank all our members who have always been so generous in the past and ask you to help this year too. Shop at our website e-store from the comfort of your home or right from your phone. More details further on this newsletter.

And in our October Monthly meeting, the new board will be taking the reins, and we will mark another year as complete with some great accomplishments and many memories and COVID stories.

Until next time, stay safe, everyone!

I was thinking... in 1983, 37 years ago, Joan Rivers was the first EWI Corpus Christi Chapter President, and was also our second President! Having back to back presidents is not new to our Chapter, Mary Helen Johnson, was our 28 and 29 president. It's actually amazing that this has only happened twice in our Chapter!! We are indeed the best!! Ok, now back to my thinking...

So, where was I in 1983?! Why was I not involved with EWI?! And what were my priorities then?! Was I not interested in networking?! I felt I had to go deeper into my thoughts... In 1983, I have been with KEDT for 9 years. In 1974 I had a temporary position with KEDT for the week of their TV Auction, and by the end of the Auction, I was hired to be their Auction Manager. I had no idea what fundraising was all about, but my immediate supervisor saw something in me and felt I was perfect for the job. I was indeed very happy with my job in 1983, focusing on the task at hand and not interested in joining any organization.

Until 1995, when a KEDT Board Member, Janis Williams, approached me and said, "Myra, you need to join Executive Women International, it'll be good for you and for KEDT." She invited me to the monthly meeting, which was the installation of officers meeting. Rebecca Stone was the outgoing President and Jackie McLain, the incoming President. Well, what can I say; it was love at first sight. Everyone was so friendly and made me feel so good that I thanked Janis on the spot, for recommending EWI to me.

I was born in Panama, attended a Catholic Private School, moved to New York in 1967 to finish my senioryear at a public school in Brooklyn, New York. At the time, I had minimal knowledge of the English language. My senior year was a challenge, but thanks to my athletic skills, I was able to join the Tennis and Volleyball Teams, and the English language was no longer an obstacle!!

I arrived in Corpus Christi in 1970, right after Hurricane Celia, and welcomed by very friendly students and faculty at the University of Corpus Christi (UCC). After graduation, I spent about a year trying to figure out what to do. Well, KEDT ended up being the only job in my professional career where I just recently celebrated my 47<sup>th</sup> Anniversary!

I became president of the EWI Chapter in 1996 and served on the EWI Corporate Board in 1998. Joining EWI was the best thing that happened in my professional career. I thank our EWI Corpus Christi Chapter, for the leadership skills and networking opportunities I acquired through my 24 years with the Chapter and I also thank EWI Corporate, for the many resources they made available to me, through their Annual Meetings, Regional Meetings, and Professional Webinars, to keep expanding those skills.

This is WHY I'm a proud member of EWI!!!

## Leadership Conference & Annual Meeting (LCAM)

## September 18 - 19, 2020

All EWI members are invited to this year's virtual Leadership Conference & Annual Meeting – referred to as LCAM. This will be a two-day event beginning at 11 a.m. on Friday, September 18 and ending at 3 p.m. on Saturday, September 19. Registration will be available soon.

Free for all members, this year's virtual event will include:

- An all-member town hall meeting
- Leadership Caucus training for all chapter members
- Award recognition celebration
- 2020 Annual Meeting

Access to this year's programming will be available through the Eventsential App offered through EWI partner RD Mobile. All members are encouraged to download the mobile app through the App Store or Google Play on your devices.

"This year's LCAM event presents a unique opportunity for all of us to participate without charge," said Gracie Martin, EWI CC chapter president. "I encourage you to make room on your calendar now to attend as much of LCAM as you can. We will keep you updated on the details as soon as they become available from corporate."

LCAM testimonial from former chapter president Nancy Wesson-Dodd, YWCA Corpus Christi: "I have attended many trainings in my career. They've been on various topics, in various locations, taught by various presenters/experts. I've been eager to go and to return and try out my new learnings. By far, the highest quality trainings have been the ones presented at EWI Leadership Conference & Annual Meeting, often referred to as "LCAM." Other highlights of these trainings have been the women I've met, networking, learning how other chapters do things, and hearing from and about Scholarship recipients and Reading Rally Programs from around the country. Each time I've attended, I've come away empowered, energized and more knowledgeable! I hope you'll participate and find the same excellence and fun that I have."
