LETTER FROM PRESIDENT

As we close out 2020, can we all say...WOW! A worldwide pandemic, civil unrest, an election, and lots of hurricanes. Let's welcome 2021 with OPEN ARMS!

Among all these challenges, EWI has remained steady and constant support for our members. We've all heard the statement, does the moment make the man, or man make the moment? ... Truly, the WOMEN made the moment for 2020 EWI. I want to thank Gracie Martin for her

incredible leadership, innovation, and can-do spirit.

There are a couple of goals I would like for us to focus on for 2021:

- Embrace and communicate our Values: Integrity, Excellence, Respect, and Collaboration. Building upon our prior goal of "WHY EWI." I believe our values are what have made EWI so resilient – how we continue to treat and care for one another.
- Foster innovation by finding new ways of meeting, communicating, and supporting each other. Expand our use of Zoom and virtual meetings/webinars and usage of videos.
- 3. Guide us back to socials and meetings if and/when it is appropriate.

I've always been a person of faith and determination. I prefer to view each event in our lives as a challenge or an opportunity. EWI chooses opportunities; it's what makes us entrepreneurs of our businesses and our futures. Let's go 2021!

READING RALLY - Saturday, October 17th was a SUCCESS!

EWI reps.

Thanks to Mary and the committee for all your planning & participation! The program was awesome for the girls.

It was so clear how little socialization they have been getting. The girls relaxed thru the afternoon! And I can imagine their excitement as they went thru their treasure bag when they got home!

From their intense following of DeeDee's Reading, I know some reading's been going on since they got home!

Their parents were so appreciative when picking the girls up, too.

We are all disappointed that more girls didn't come. It was their loss. We can either deliver the extra bags to other girls or keep them for another event. I'll leave that decision to you, Mary.

Special thank you, Mary, for your leadership of this group of leaders—so many opportunities—& you handled them with aplomb!

Know that EWI made a difference in these YWTEENS lives,

Nancy
